AILLÉIRGE CHNÓ
 NUT ALLERGY

Cé gur rogha sláintiúil do pháistí iad cnónna tá cosc iomlán orthu sa scoil ar an ábhar go bhfuil daltaí le hailléirge ann.

Ná cuir isteach iad le do thoil.

Even though nuts are considered a healthy snack for children they are strictly forbidden in school as a number of pupils have a severe nut allergy. Please do not send them in under any circumstances as to do so would put certain children at serious risk.

UACHTAR GRÉINE
 SUNCREAM

Ar theacht chun na scoile déan cinnte le do thoil go bhfuil uachtar gréine ar do pháiste.

Ní chuirfidh muid orthu ar scoil é ar an ábhar go mbíonn ailléirge ar pháistí áirithe.

Please ensure your child has a good application of sun-cream before coming to school. We will not apply it as some children have allergies to certain creams. Here's hoping that we'll need it!!

10 APPS TEENS ARE USING THAT PARENTS NEED TO KNOW

Calculator%
This app looks like a calculator but functions like a secret photo vault.

Omegle
A free online chat website that promotes chatting anonymously to strangers.

Snapchat
This is the way most teens communicate with each other. Sending messages and snaps that disappear within seconds and stories go away after 24 hours. Teens live for a "streak" of communication.

Whisper
An anonymous app where the creators promote sharing secrets and meeting new people.

Ask.fm
Ask an anonymous question and get an answer. This app has been linked to the most severe forms of cyberbullying.

Hot or Not
Strangers rate your profile. Goal is to lead to a hook up.

Burn Book
Post anonymous rumors about people through audio messages, texts, and photos.

Wishbone
An app that allows users to compare kids against each other and rate them on a scale.

Kik
Messaging app. Kik has built in apps and web content that would be filtered on home computer.

Instagram
Many kids are now creating fake accounts "finsta" to hide content from parents. Kids also like to text using Instagram because most kids know parents won't check messages.
